Ordination of John George

In most Protestant churches, ordination is the rite by which churches recognize and confirm that an individual has been called by God to ministry, acknowledges that the individual has gone through a period of discernment and training related to this call, and authorizes that individual to take on the office of ministry. Please join us to celebrate the ordination of John George at the conclusion of today’s second service

Assisted Listening Devices are available for your use. Please visit the sound booth in the back of the Sanctuary if you’d like to use one.
