Special Event During 10:30 Gathering

In most Protestant churches, ordination is the rite by which churches recognize and confirm that an individual has been called by God to ministry, acknowledges that the individual has gone through a period of discernment and training related to this call, and authorizes that individual to take on the office of ministry. Please join us in the Sanctuary to celebrate the ordination of John George at the conclusion of our second service.

Refreshments to follow in the church foyer. Everyone welcome!
